APPOINTMENTS

Department of Statistics and Data Science, Tsinghua University (THU), Beijing, China

- Postdoctoral Fellow Aug. 2025–present
- Advisor: Prof. Jun S. Liu

EDUCATION

Institute of Statistics and Big Data, Renmin University of China (RUC), Beijing, China

- Ph.D. in Statistics Sep. 2020–Jun. 2025
- Advisor: Assoc. Prof. Cheng Meng

Department of Statistics, The Chinese University of Hong Kong (CUHK), Hong Kong, China

- Exchange Student Nov. 2023–May 2024
- Advisor: Prof. Xiaodan Fan

School of Statistics, Beijing Normal University (BNU), Beijing, China

- Bachelor in Statistics Sep. 2016–Jun. 2020
- Thesis advisor: Prof. Junlong Zhao

RESEARCH INTERESTS

Optimal transport; Statistical computing; Generative modeling; Statistical machine learning; AI for science

4. **Mengyu Li**, Shunxing Yan†, Jun S. Liu*. "Localized Gaussian mixture filtering with compatible assembly." Ready to submit.

FUNDING & AWARDS

Funding

- Youth Science Foundation Project (Category C), National Natural Science Foundation of China (¥300,000) 2027–2029
- General Project, China Postdoctoral Science Foundation (¥80,000) 2025–2027
- Shuimu Tsinghua Scholar Program 2025–2027
- Young Elite Scientists Sponsorship Program - Doctoral Student Special Program, China Association for Science and Technology (¥40,000) 2024–2025
- Outstanding Innovative Talents Cultivation Funded Program (¥70,000), RUC 2021–2024
- Joint Ph.D. Program (¥50,000), RUC 2023–2024

Awards

- **Wu Yuzhang Scholarship**, RUC 2025
  RUC's highest honor for students; 10 winners (among which 4 Ph.D. students) per year
- **Outstanding Poster Award** in the 22nd Annual Meeting of China Society for Industrial and Applied Mathematics (CSIAM 2024) 2024
- **Student Paper Award** in Joint Statistical Meetings (JSM), Statistics in Imaging Section, American Statistical Association (ASA) 2023
  5 winners per year; first winner trained in Chinese Mainland
- **Student Paper Award** in JSM, Sections on Statistical Computing and Graphics, ASA 2022
  4 winners per year; first winner trained in Chinese Mainland
- Beijing Municipal Outstanding Graduate 2025
- National Scholarship, Ministry of Education of the P.R. China 2023
- Jingdong Special Scholarship, RUC 2023
  20 winners per year

ACADEMIC EXPERIENCE

Research Assistant

- Department of Statistics, CUHK Nov. 2023–May 2024
  Developed novel algorithms for multi-modal image registration and gene regulatory network reconstruction based on optimal transport theory.

Teaching Assistant

- Data Mining, RUC Spring 2021, 2024
  My duties included lecturing exercise lessons, homework preparation and grading, etc.

Talks & Poster Presentations

- School of Mathematics and Statistics, Beijing Institute of Technology, Beijing, China Oct. 2026
- The 3rd Joint Conference on Statistics and Data Science in China, Hangzhou, China Jul. 2025
- 2025 ICSA China Conference, Zhuhai, China Jun. 2025
- RUC Mathematics Time, Renmin University of China, Beijing, China Apr. 2025

- School of Mathematics and Statistics, Beijing Institute of Technology, Beijing, China Mar. 2025
- PKU Applied Math Lunch Seminar, Peking University, Beijing, China Dec. 2024
- The 8th CSIAM Student Forum in CSIAM 2024, Nanjing, China Oct. 2024
- Student Academic Seminar for the 87th Anniversary of RUC, Beijing, China Oct. 2024
- Capital Statistics and Data Science High-Level Forum, Beijing, China Jul. 2023

Referee for Journals and Conferences

- Journal of Machine Learning Research
- Journal of Computational and Graphical Statistics
- Annals of Applied Statistics
- Statistica Sinica
- Communications in Statistics - Simulation and Computation
- SIAM Journal on Imaging Sciences
- Bioinformatics Advances
- Statistical Applications in Genetics and Molecular Biology
- The Review of Mathematical Economics
- NeurIPS, ICLR

PROFESSIONAL SKILLS

Programming

- Python, R, MATLAB, C++, Linux shell

Language

- Chinese Mandarin, English
